Sauk Prairie is an exciting place to live and learn that is small enough to create strong relationships yet large enough to provide world-class opportunities. We appropriately challenge and meaningfully support every student. A visit to our schools is even more energizing than the data set. Learn more than this report card will ever tell you at [saukprairieschools.org](https://saukprairieschools.org). #togetherwesoar #spsdlearns

Performance Levels by Year

These graphs show school-wide percentages and group sizes of students performing at each level.

GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores — the target group. This measure was designed to inform improvement efforts that result in positive change for learners who most need it while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.
