## GROWTH

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

### Priority Area Score

■ This school's score was the same or higher than 16.2% of 9-12 schools in the state.

English Language Arts Score: 64.1

Mathematics Score: 33.7

### Student Group Value-Added (for information only)

Value-added scores cover an approximately 0-6 range. Higher scores mean greater positive impact. A score of 3.0 is average. Group size is shown in parentheses. Groups with fewer than 20 students do not have a score displayed. Shaded boxes indicate higher-than-average scores.

## TARGET GROUP OUTCOMES

This priority area examines outcomes for students with the lowest test scores — the target group. This measure was designed to inform improvement efforts that result in positive change for learners who most need it while also improving outcomes for all students. The priority area score combines component scores for achievement, growth, chronic absenteeism, and attendance or graduation rate. Data are not displayed when target groups have fewer than 20 students.

### Priority Area Score

#### CHRONIC ABSENTEEISM

## CERTAIN STATE & LOCAL LAW VIOLATIONS, 2024-25

The incident rate data presented in this section is new for 2024–25, provided for informational purposes only, and intended solely to fulfill new statutory reporting requirements.

2023 Wisconsin Act 12 created Wis. Stat. § 118.124, which requires schools with high school grades to collect statistics on certain violations of state and local laws that occur on school property during specified times and report these statistics to the DPI. Under Wis. Stat. § 115.385(1)(e), school and district report cards are required to include the rate of these incidents per 100 enrolled pupils. This is for information only and does not affect scores. For more information, visit: <https://dpi.wi.gov/sspw/safe-schools/criminal-charges-and-violations-reporting-requirement>.

Schools and school districts must report a law violation to DPI only if all three of the following criteria are met: 1. The incident occurred during school hours, during a school-sanctioned event, or during transportation of pupils. 2. The incident took place on school property or school-provided transportation. 3. A charge was filed or a citation was issued as a result of the incident.

Violations must also fall into one of the following eight categories: 1. Homicide; 2. Sexual assault; 3. Burglary, robbery, or theft; 4. Certain types of battery; 5. Arson; 6. Use or possession of alcohol, a controlled substance, or a controlled substance analog; 7. Unlawful possession of a firearm on school grounds; or 8. A violation of a municipal ordinance related to disorderly conduct.

There are multiple limitations affecting the quality and completeness of this data. A non-exhaustive list of these limitations is available in the *State and Local Law Violation Reporting Requirements* document on the 2024-25 report card resources page: <https://dpi.wi.gov/accountability/resources>.

**Important Notes:** A charge or citation is not a conviction or admission of guilt and does not necessarily result in either. The data below may include charges and citations that were later dismissed. DPI does not recommend using this data to assess school safety or to compare schools or districts.

### Incident Rates

**Caution:** Multiple limitations affect the quality and completeness of this reported data. Differences in local law enforcement and prosecuting attorney policies and discretion influence charging and citation practices and reporting to education agencies. The incident rate data presented in this section is new for 2024–25, provided for informational purposes only, and intended solely to fulfill new statutory reporting requirements. Data are reported by schools and districts to DPI and do not impact scores per state statute. For more information, visit: <https://dpi.wi.gov/sspw/safe-schools/criminal-charges-and-violations-reporting-requirement>. For questions regarding a specific rate, please contact that school or district directly.
